We invite you to join with us as we worship God  
in song, prayer and the sharing of His Word. Our  
prayer is that this service will meet needs in your  
life and that you will receive something that will  
help you in the days ahead. The object of the  
service for each of us is to worship God together  
and to receive what He desires to  
accomplish in our lives. At the close of the  
service the altar is open to you. Should you  
desire to have prayer, to be anointed for healing  
according to James 5:14, or just to share  
something on your heart, there will be those who  
will pray with you.

**During the service this morning  
Young Explorers**

**Boys and Girls Missionary Challenge**

**Missions' emphasis for kid's church**

the newly formed staff for our **Children's' Church**  
will share the revised BGMC program, centering on a single country.

Each month along with Buddy Barrel, we will share information  
about the culture, food and the activity of missionaries in that country.  
Along with these lessons, there will be the collection of their donations,  
which will be sent to the BGMC department for our missionaries world wide.
